

NOTICE OF PUBLIC HEARING CANCELLATION

Notice is hereby given that the previously noticed public hearing for two conditional use permits and four variances at 10 Old Wildwood Rd. will not take place as previously scheduled. Staff discovered an error in lot area calculation on the site plan, which means that the requested lot area variance was not properly noticed, per MN State Statute. The requested applications have been formally withdrawn. The Applicant intends to resubmit an application with an amended site plan.

When the application is resubmitted in the future, a new public hearing will be scheduled, and new notices sent out to neighboring property owners.

If you have questions about this notice or if you wish further information regarding the project described above, please contact Hannah Rybak, Mahtomedi City Planner, at 612-269-3684 or hrybak@wsbeng.com.
